

# My Grandparents

Financial security for grandparents raising their grandchildren

*As a family caregiver, you may face some challenges, yet there are so many rewards. Your grandchildren need your love and patience as they turn to you for care and support. Here is an opportunity for your grandchildren to learn about financial well-being.*

**FREE CLASSES**  
(in English or Spanish)

**Call to register:**  
**882-5383 x162**

**Help teach them how to be financially independent**

Brought to you by the Primavera Foundation, in collaboration with these key partners providing support:

**girl scouts**

**TAKE CHARGE AMERICA**  **Institute**  
For Consumer Financial Education and Research

**NeighborWorks®**  
CHARTERED MEMBER

## GRANDPARENTS

- Attend financial education classes to learn about money management strategies, budgeting, credit, and how to achieve your goals.
- Work with a counselor one-on-one to create an action plan that will meet your financial goals.
- Open a savings account to begin saving for the future.

### *It makes financial sense!*

- You will receive \$125 towards your savings account upon completion of two deposits into the account.
- You will receive a \$10 gift card for your first three one-on-one counseling sessions.

## GRANDCHILDREN (ages 6-17)

- Attend classes with the Girl Scouts or the University of Arizona/Take Charge America.
- Learn about the importance of money, credit, and setting goals.
- Adopt a habit of savings.

### *It makes financial sense!*

- You will receive \$65 toward starting your savings account, upon completion of two deposits into the account.
