GET HELP ON YOUR HOME BUYING JOURNEY

You may be eligible for down-payment assistance or help with closing costs.

- Join our class to learn the home purchase process and how to maintain your financial health after you close on a home.
- Work one-on-one with a HUD-certified housing counselor to understand your financial picture and to determine what you can afford.
- Learn about eligibility requirements for financial assistance.

Protect your investment and grow your financial future. Homeownership classes and one-on-one HUD-certified housing counseling can help you make informed decisions about buying a home.
